Dear sir,

It was a pleasure meeting you on Tuesday at the Cpab meeting. I believe it is one of the most important issues, to have the hospitality community and lapd work together as partners to improve and maintain Hollywood as the global tourist destination that it is.

In an effort to accomplish this goal. We would like to set up a meeting with Lapd vice to discuss the many complex issues that surround the corner of Hollywood and las palmas and to address any and all concerns that LAPD has with the operations of Rusty Mullet.

We would like to have our security manager, managers and operations at the meeting to discuss any issues or concerns that lapd has with the operations of rusty mullet so that they can be mitigated immediately.

I am available anytime.

Thank you for your time

Dear sir,

It was a pleasure meeting you on Tuesday at the Cpab meeting. I believe it is one of the most important issues, to have the hospitality community and lapd work together as partners to improve and maintain Hollywood as the global tourist destination that it is.

In an effort to accomplish this goal. We would like to set up a meeting with Lapd vice to discuss the many complex issues that surround the corner of Hollywood and las palmas and to address any and all concerns that LAPD has with the operations of Rusty Mullet.

We would like to have our security manager, managers and operations at the meeting to discuss any issues or concerns that lapd has with the operations of rusty mullet so that they can be mitigated immediately.

I am available anytime.

Thank you for your time

Hi Sir,

Just a couple corrections on the list; the initial occurrence wherein eight underage college student patrons were arrested in the premises occurred on October 16th, 2015 and I think ABC may have requested the thirty-day suspension in relation to this event and the enforcement actions that occurred in relation to it. Those are the only discrepancies that I noticed. Let me know if you need anything else sir.

Re: Case No. DIR 2016-0824(RV)
6364 W. Hollywood Blvd. LA 90028 (Cosmo Nightclub)

Dear Mr. Fargo,

Representing Hollywood on the Los Angeles City Council and the 13th Council District, my top priority is ensuring public safety and elevating the quality of life throughout our neighborhoods.

The establishment located at 6364 W. Hollywood Blvd, which houses the Cosmo nightclub, has been cited for multiple and repeated violations of its Conditional Use Permit, including failure of security guards to wear distinctive uniforms, failure to utilize electronic age verification devices, subletting the premises to outside promoters, improper notification to the Los Angeles Police Department (LAPD) of private parties, failure to adhere to mandated closing time, and allowance of amplified music to extend beyond the premises.

This location has also been found on multiple occasions to be a source of criminal activity and other threats to public safety. Some of these incidents include:

- October 6, 2015: Eight underage patrons were arrested in the venue, one of whom was in possession of alcohol. The manager, Conrad Straub, was also arrested.
- December 13, 2015: A shootout on the street occurred involving multiple people recovering guns from their respective vehicles. This incident involved individuals who were patronizing the club that evening.
- December 24, 2015: Another shootout occurred after a confrontation escalated outside of the club; the individuals involved had been patrons at the club shortly before this occurred.
- December 31, 2015: An undercover LAPD operation resulted in the arrest of the manager, Matthew Goldberg, who was also found to be in possession of cocaine.
- February 26, 2016: A brawl involving several members of Cosmo staff took place in front of the club. In response, ABC asked for a 30-day suspension of the alcohol license, a request which was appealed.
- April 16, 2016: The manager, Matthew Goldberg, was once again arrested after having been repeatedly cited by LAPD for violating Condition #17 of the Conditional Use Permit (admissions charges).
- April 25, 2016: A sexual assault occurred inside a storage closet at the club. Reportedly, a security guard employed by Cosmo broke up the assault while it was taking place, but did not apprehend the assailant nor did the guard contact the police. Instead, the victim left the club and filed a police report on her own accord. The assailant was allowed to leave the venue without repercussions.

Furthermore, the Cosmo nightclub is operated by the same manager and security team as the former Cashmere (aka The Day After) nightclub, which had been located at 6757 W. Hollywood Boulevard. That property is owned by Mr. Mehdi Bolour, who also owns the Cosmo property that is the subject of this case. The Conditional Use Permit at 6757 W. Hollywood Boulevard was revoked earlier this year by the Zoning Administrator (ZA) as part of Case No. DIR 2015-3461(RV). Based on the ZA's determination in that case, and the fact that the Cosmo location involves the very same individuals as the noncompliant and negligent Cashmere location, the long list of violations and criminal activity at Cosmo is extremely troubling.

Obtaining a Conditional Use Permit is a privilege and comes via an extensive public process, and a solemn obligation to the terms of the permit and to the surrounding community. The recurring problems at this location violate the public trust and put a strain on City resources, including the Los Angeles Police Department, City Attorney, Department of Building and Safety and Department of City Planning.

Given the lengthy and well-documented history of Conditional Use violations at this establishment, as well as the other tragic and unlawful incidents that have recently taken place, my office recommends Revocation of the existing Conditional Use Permit at this location.

MITCH O'FARRELL

I could be wrong about that ABC 30 day suspension. I believe Tim Fargo had the most recent information on that. ABC moves super slow; they were involved in the October 16th, 2015, inspection and I think that it is more likely that they would be pursuing a suspension for that older incident.

The establishment located at 6364 W. Hollywood Blvd, which houses the Cosmo nightclub, has been cited for multiple and repeated violations of its Conditional Use Permit, including failure of security guards to wear distinctive uniforms, failure to utilize electronic age verification devices, subletting the premises to outside promoters, improper notification to the Los Angeles Police Department (LAPD) of private parties, failure to adhere to mandated closing time, and allowance of amplified music to extend beyond the premises.

This location has also been found on multiple occasions to be a source of criminal activity and other threats to public safety. Some of these incidents include:

- ***October 6, 2015:** Eight underage patrons were arrested in the venue, one of whom was in possession of alcohol. The manager, Conrad Straub, was also arrested.

- ***December 13, 2015:** A shootout on the street occurred involving multiple people recovering guns from their respective vehicles. This incident involved individuals who were patronizing the club that evening.

- ***December 24, 2015:** Another shootout occurred after a confrontation escalated outside of the club; the individuals involved had been patrons at the club shortly before this occurred.

- ***December 31, 2015:** An undercover LAPD operation resulted in the arrest of the manager, Matthew Goldberg, who was also found to be in

possession of cocaine.

*February 26, 2016: *A brawl involving several members of Cosmo staff took place in front of the club. In response, ABC asked for a 30-day suspension of the alcohol license, a request which was appealed.

*April 16, 2016: *The manager, Matthew Goldberg, was once again arrested after having been repeatedly cited by LAPD for violating Condition #17 of the Conditional Use Permit (admissions charges).

*April 25, 2016: *A sexual assault occurred inside a storage closet at the club. Reportedly, a security guard employed by Cosmo broke up the assault while it was taking place, but did not apprehend the assailant nor did the guard contact the police. Instead, the victim left the club and filed a police report on her own accord. The assailant was allowed to leave the venue without repercussions.

Furthermore, the Cosmo nightclub is operated by the same manager and security team as the former Cashmere (aka The Day After) nightclub, which had been located at 6757 W. Hollywood Boulevard. That property is owned by Mr. Mehdi Bolour, who also owns the Cosmo property that is the subject of this case. The Conditional Use Permit at 6757 W. Hollywood Boulevard was revoked earlier this year by the Zoning Administrator (ZA) as part of Case No. DIR 2015-3461(RV). Based on the ZA's determination in that case, and the fact that the Cosmo location involves the very same individuals as the noncompliant and negligent Cashmere location, the long list of violations and criminal activity at Cosmo is extremely troubling.

Obtaining a Conditional Use Permit is a privilege and comes via an extensive public process, and a solemn obligation to the terms of the permit and to the surrounding community. The recurring problems at this location violate the public trust and put a strain on City resources, including the Los Angeles Police Department, City Attorney, Department of

Building and Safety and Department of City Planning.

Given the lengthy and well-documented history of Conditional Use violations at this establishment, as well as the other tragic and unlawful incidents that have recently taken place, my office recommends *Revocation of* *the existing Conditional Use Permit* at this location.

Sincerely,

MITCH O'FARRELL

Ma'am..

Yesterday, we monitored a working group meeting facilitated by Hollywood Vice focused on enforcement/shut down of problematic Hollywood nightclubs/ABC locations. The working group consists of Hollywood Vice, the CA Office, Building and Safety, CD 13, CID, etc. This focused strategy has paid dividends in recent expedited enforcement and shut down of other problem locations.

Please review the current problematic nightclubs that are the current focus of the working group and the enforcement strategies.

According to Habib Munoz, in the AK-47 case from January, GND was unable to file the weapons charge against the suspect, the co-owner of the club Robert Abrahamian. Apparently, the firearm had certain "add ons" that made the weapon compliant with California law. However, Bert Feldtz was able to file a Possession of Narcotics for Sale case for Abrahamian's possession of marijuana, hashish oil, and mushrooms. This case is pending..

Also, the 18+ over promoter has pulled out of the location and relocated to downtown. HWD Vice has also recently received inquiries from potential buyer of the property, seemingly indicating that the location is being offered for sale. Finally, after the last early morning opening where Chris Miller cited for Loud Music, HWD Vice has not seen any additional activity. Munoz will continue to closely monitor the location.. and I will keep you updated.

Sir,

The following is from Friday's operation. Officer conducted undercover investigations at the following locations. DSVD and Foothill Vice assisted with this operation.

Ø Bar Latino – No violations due B-girls having possibly identified Sergeant Garcia from a prior operation where arrests were made for B-girl violations.

Ø Dirty Laundry – No food service, vice officers completed a 15.7 and complaint application to document this violation.

Ø Rusty Mullet – Excessive noise and allowing patrons to loiter, vice officers completed a 15.7 and complaint application to document these violations.

Ø Cosmo – Cited for 12.29 LAMC, violation of conditions 6, 17 and 21.

Ø Pig N'Whistle – Officers observed patrons being allowed to have drinks on the dance floor. Vice officers completed a 15.7 and complaint application to document this violation.

Ø Davey Waynes – No Violation.

The three Hollywood PED units primary mission for the night was to provide uniform support for the ABC operation. One unit issued (3) RFC's for drinking in public and (3) ACE citations for the same violations.

There was no evidence of obvious over service at Dirty Laundry but we will continue to monitor.
